3.5

Oil patterns bank

- In addition, it is also the intention to compile an oil patterns database from which the organizers can choose the pattern for their tournament. This oil pattern bank consists of patterns from the KEGEL and BRUNSWICK sport and challenge series, with an ratio between 3.0 and 4.9. The pattern for the YET INTERNATIONAL GRAND FINAL also comes from this database.
- * The oil patternbank is intended as a guideline. As an organizer you can make a choice from this. If you believe that your tournament / participants need a more challenging pattern, you are free to choose a pattern with a lower ratio. However, a ratio higher than indicated in the patternbank is not desirable due to the purpose of the tour.
 - * The chosen oil pattern may be used for a maximum of three consecutive years, after which a new pattern is selected.
